SOMERSET *Choices*

is a website that gives people information and advice on care and support services and local groups in Somerset.

People can use the website to search for all kinds of care and support services including **equipment providers, home care, accommodation options, support for carers, local events and local groups**. People can contact local services and groups through the website to order or book what they need.

DON'T MISS OUT!

Make sure your products, services or groups are one of their choices on the website.

You can advertise for FREE.

All you need to do is create an account. Go to www.somersetchoices.org.uk and click on **register**. Once you are registered you can log in and start uploading your details and information on your services, products, support groups or events.

It is easy but if you need help please contact help@somersetchoices.org.uk

The website gives people choice and puts them in control of their care.

The website has been developed by Somerset County Council in partnership with the Somerset Clinical Commissioning Group and District Councils.
